Dear Dr. Robinson

Your dear note of sympathy to Rob is deeply appreciated by him, and very helpful at this tragic time. I am endeavoring to relieve him by acknowledging the notes which have come since Ella's death. He is bearing up wonderfully

but feels this he cannot do.

We all appreciate your message of sympathy to us, and know you realize how greatly it really helps to be assured of the loving sympathy of friends at such a time.

Sincerely,

December 4. Edith Lisl Chalfant.

My dear Dr. Robinson:-

Your letter and telegram received this morning. I find that I can accept your cordial invitation to address the Annual Praise Meeting in your church on Thursday, November 22nd, at two o'clock provided I can reach New York Friday morning by nine o'clock. What is the best train for me to take from New York to Delhi?

With kind regards,

Very sincerely yours,

Francis Shunk Downs.

My dear Cousin.

Again I thank you for a comforting note. You don't know it but in my mind I have been thanking you for the one you wrote after your little visit to me in Binghamton. I know I can clear my self with that expression

when my spirits are low. How we are lonely with out Mother but her life was such a glorious one that I can not mourn I am only thankful that she did not live to suffer, that would have been hard for her and hard for Father too. He is a wonder — but I am so sorry for him but he knows he

hasnt many years to live alone. I am glad he is willing to go to California with me, it gives him a new interest in life. Roscoe is in Wyoming but we expect him home early in July.

I am sorry to know you have been ill and hope you have fully recovered by this

Time - We would be so happy to have you & your good wife come over here any time - It is such a beautiful ride and the country certainly is wearing its best dress just now -

With affectionate greetings and all good wishes for you both

Gratefully yours

Gentlemen:

Enclosed you will please find manuscript for a novel. The writer is a novice, a preacher in the Presbyterian Church, U.S.A. Writing has been incidental to my work, though I have done a great deal of it along lines different from this. I hope there is some money in this for you and for me. I also hope that if published, it will counteract much that goes out in printed form. Please examine. If your report is adverse enclosed find check which will cover charges for return. If it should find favor, please write me terms of publication.

Very truly yours,

Dear Reverend:-

Your favor under date of May 12th regarding the Presbyterian General Assembly at Tulsa, Okla, May 23rd, for this occasion no arrangements have been made for any through movement for the clergymen and laymen from this territory. The clergymen and laymen from here, Owego and other stations are going to use our #3 leaving Binghamton at 3:25 PM, arriving Buffalo at 7:50 PM, leaving Buffalo via New York Central at 10:00 PM, arriving St Louis at 1:30 PM following day. This is a through sleeper from Buffalo direct to St Louis. They will spend the afternoon looking around St Louis and leave St Louis via the Frisco Line the same evening at 6:58 o'clock, arriving Tulsa at 7:00 o'clock the next morning. Through sleeper from St Louis to Tulsa.

However, some are going via Chicago and others are making arrangements to go different routes account of visiting relatives etc. but the above route, in my opinion, is the most direct.

In view of the fact that you hold clergy certificate for 1928, I think it would be best for you to use your permit in purchasing ticket to St Louis, the full fare from Binghamton to St Louis being $32.98. Then from St Louis to Tulsa, I would use my certificate for the purchase of round trip ticket at rate of fare and one-half from St Louis to Tulsa. The full fare one way from St Louis to Tulsa is about $16.00.

The cost of a lower berth from Buffalo to St Louis is $7.50 and a lower berth from St Louis to Tulsa is $5.25.

I am inclosing time tables under separate cover and if there is any further information you may desire, I would be glad to furnish same.

I would also be pleased to make any Pullman reservations you may desire.

Very truly yours

Division Passenger Agent.
